

Are you of two minds when signing a contract?

“NTCCC Guide to the CCA 1 - Subcontract”...

Understanding Contract = Controlling Cashflow

Join us for a truly invaluable seminar/webinar:

DATE: Monday, February 13, 2012
TIME: 1:00 – 2:30 p.m. EST
COST: \$75/person + 13% HST (in person)
SPEAKER: Geza Banfai, Heenan Blaikie LLP
PLACE: Osgoode Professional Development
Webinar: Access Emailed Upon Registration

The contract you sign will determine if and when you will get paid. This seminar/webinar will shed light on:

- The top 3 excuses for not using a written contract...and at least 6 very good reasons why you should!
The CCA 1 – 2008 Stipulated Price Subcontract – How it was created; Why it’s the most frequently used standard subcontract form in Canada
How CCA 1 allocates risk generally
The key risk factors for the subcontractor in CCA 1
How CCA 1 deals with payment
The other significant clauses you should be aware of
How to handle common proposed changes and revisions
Lien legislation – its effect on timely payment
Taking control of your business...moving towards best practices to “Get Paid”
