National Trade Contractors Coalition of Canada Welcomes New Member

Toronto, Ontario – During the most recent meeting of the National Trade Contractors Coalition of Canada (NTCCC), November 12, 2008, Chairman Robert Hoare announced the addition of the **Thermal Insulation Association of Canada (TIAC)** to the Coalition membership.

As the newest member of the Coalition, the Thermal Insulation Association of Canada are represented by Executive Director, Ms. Susan Ryan and contractor representative, Mr. Joe Fabing of Custom Insulation Systems.

NTCCC Chairman, Robert Hoare said, “We are extremely pleased to welcome the Thermal Insulation Association of Canada to our Coalition. The NTCCC embraces the varied trade contractor organizations who will actively participate in our projects and enhance our diverse perspectives on issues that advance the good of all trade contractors”.

About the NTCCC - The National Trade Contractors Coalition of Canada (NTCCC) was established in 2004 to provide an organized forum for Canada’s national trade organizations to share information, resources, and to collaborate on issues that are of common interest to all. The membership is comprised of the Canadian Roofing Contractors Association, Canadian Automatic Sprinkler Association, Canadian Masonry Contractors Association, Canadian Electrical Contractors Association, Ontario Sheet Metal and Air Handling Group, Heating, Refrigeration and Air Conditioning Institute of Canada, and the Mechanical Contractors Association of Canada.
